Philadelphia:

Wednesdays - 6:00 - 7:30 PM

These weekly groups are for adults who have experienced the death of a loved one from cancer within the past two years. The groups provide an opportunity for bereaved persons to share their feelings and experiences, get support and suggestions, and to learn how to go on with life.

Being with others who can understand as well as tolerate the sadness, pain and other feelings caused by a significant loss is a major benefit of the group.

A phone interview with the facilitator is a prerequisite to joining a group.

Please call 215-879-7733 for more information or to register.
